

The right experts in the right place

Within the M&A team located in Hamburg or London, DARAG Group is looking for an additional

(Senior) M&A Manager (m/f/d)

DARAG Group is a leading legacy specialist and a pioneer in delivering finality solutions with a proven successful track record. Backed by three Private Equity firms, the group model provides finality to (re)insurers in respect of the risks associated with discontinued business. In doing so, it offers various finality solutions to deliver a reliable and efficient structure that helps our client achieving their objectives to enable them focusing on their core business. DARAG's strong capital structure allows to support its strategic growth and expansion plans into Europe as well as in the US and Bermuda/Caribbean.

After a period of significant strategic development, which has seen DARAG grow substantially in the European and US insurance run-off markets, the Group is hiring several roles into the company, which offers unrivalled career progression and the chance to play a key role in driving global growth.

Responsibilities include

- Deal origination: you will be given the opportunity to grow your own network and participate in industry events
- M&A transactions: you will be entrusted with deal opportunities for which you will be fully responsible
- Managing and coordinating the transactions during the acquisition process with internal and external stakeholders
- Analysing M&A deals and working closely with the Group's finance, actuarial, claims, reinsurance and legal teams
- Analysing, identifying and advising on how the deals will affect the ongoing business from day one
- Support in negotiation and execution phases of a transaction including due diligence work and contract negotiation
- Effectively working as a team member by demonstrating commitment to quality, sharing responsibility, coaching colleagues and promoting transparent communication.

Requirements

- Run-off, Insurance or M&A experience preferred, but experience in financial services, investment banking, accounting firm or Fin Tech considered
- Totalizing a minimum of 5 - 8 years' experience in any of the above
- Strong financial modelling/valuation skillset
- Excellent project management skills
- Knowledge of Solvency II is a plus
- Technical knowledge of IFRS and international regulatory requirements
- Strong verbal and written communication skills
- Proficiency in English, fluency in German is highly valued, other languages are a plus
- An entrepreneurial and ambitious mindset with an impeccable attention to detail is required

This is an exciting opportunity to join a dynamic and fast-growing business. If you are interested, please send us your complete application in English language by e-mail, stating your earliest possible starting date and salary expectation to career@darag-group.com.
